WORK EXPERIENCE

Guardcam LLC, Remote

E-commerce startup with 2 employees and \$180k annual revenue

Front End Developer/ Owner

February 2022 – Current

- Enhanced online store functionalities through HTML, CSS, and JavaScript implementations on the Shopify platform, driving a remarkable 100% surge in sales within the inaugural year.
- Devised and orchestrated compelling digital marketing initiatives encompassing SEO, PPC, and email marketing, fostering a noteworthy upswing in the store's conversion rate.
- Employed A/B testing methodologies to refine product pages and streamline the checkout process, resulting in enhanced user experience and heightened sales efficiency.
- Skillfully managed customer service, order logistics, and fulfillment operations, cultivating a reputation for delivering exceptional customer satisfaction and subsequently elevating customer contentment metrics.

Frontend Developer Internship, Remote

Frontend Simplified

Web Content Editor

June 2022 – Current

- Transformed a completely static HTML, CSS, Javascript, and React single-page application into an interactive user interface using animations and transitions
- Processed API requests with Axios to dynamically represent data from the cloud server and represented it through skeleton loading states and dynamic routing
- Utilized Git version control and the GitHub interface to work and thrive in virtual and collaborative team environments

SOFTWARE PROJECTS

Superhero Generator / Html, CSS, Javascript, Api

- Engineered an engaging web-based superhero generator using HTML, CSS, and JavaScript, delivering instant random superhero profiles at the click of a button.
- Seamlessly integrated JavaScript functionalities to dynamically assemble and display diverse superhero attributes and statistics, enhancing user interaction and enjoyment.

E-commerce App / Html, CSS, Javascript, Api

- Proficiently designed and developed an eCommerce library book website, seamlessly combining HTML, CSS, and JavaScript to create an intuitive user interface and interactive browsing experience.
